

Staying on Course

CHARITY GOLF CLASSIC

Sleepy Hollow Golf Club, Tuesday, September 10, 2019

For over 35 years, the Jean Tweed Centre has provided support, services and a safe place for those who need it most. By building life skills and healthy habits to overcome challenges with substance use, mental health and problem gambling, we help women and their families build a new start for a better future.

Staying on Course Charity Golf Classic is our largest fundraiser.

Proceeds raised will support our services for women and their families.

The Jean Tweed Centre offers a range of services that include trauma informed counselling and transitional and support housing. Our Child Development Centre was developed out of a need to provide women with childcare to support them in attending treatment. Our Joyce Shipley Education fund provides women with an opportunity to further their education.

Please join us for a great day of golf and an opportunity to contribute to this important work.

You can make a difference!
