# Join Us On March 7th

## She Rises
**AN INTERNATIONAL WOMEN'S DAY BRUNCH**

Dear Friends,

International Women's Day is an opportunity to celebrate the achievements, leadership, strength, and resilience of women while reaffirming our commitment to building a more equitable future.

Following the success of our inaugural International Women's Day High Tea, which welcomed over 160 attendees and raised more than $20,000, The Jean Tweed Centre is excited to bring our community together once again for our Second Annual International Women's Day High Tea.

For over 43 years, The Jean Tweed Centre has supported women, children, and families experiencing trauma, violence, housing instability, substance use, mental health challenges, and other complex barriers. Every day, we help individuals find safety, stability, healing, and hope.

This event is more than a celebration; it is an opportunity to recognize the extraordinary women who inspire us, including our Women Who Inspire honourees, whose leadership and contributions are making a meaningful difference in our communities. It is also a chance to come together in support of women and children who need access to essential programs and services to rebuild their lives and create brighter futures.

Through your sponsorship and ticket purchases, you help ensure that The Jean Tweed Centre can continue providing vital, trauma-informed support to those who need it most.

We invite you to join us on March 7 at Venu Event Space for a meaningful day of connection, celebration, and impact. Together, we can honour the strength of women, recognize their achievements, and invest in a future where every woman and child has the opportunity to thrive.

Thank you for your continued support and for being part of a community committed to inspiring change and creating lasting hope.

**Together, we celebrate women and create brighter futures.**

Warmly,

Belinda Marchese
